# Internet Safety Information Night for Parents

**(Students are welcome to attend)**

**Please join us for a discussion on safe use  
of internet technology and social media.**

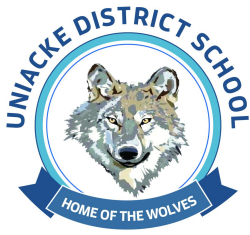

Internet safety is becoming a real concern as students are using technology independently and at much younger ages than the past. The prominence of Cyberbullying, which can follow you anywhere and kids giving out personal information is extremely troubling. Our goal is to educate parents and students about the dangers that exist on the internet and to provide them with the tools to stay safe, so that our students will be equipped with what they need to make their own safe and smart choices.

**When: Tuesday, February 13th at 7:00pm**

**Where: UDS Cafeteria**

**Presenter: School Safety Resource Officer  
Constable Ponee (Enfield RCMP)**

**DOOR PRIZES WILL BE  
GIVEN OUT!**
