Mental Health Wellness Week

Our Junior High teachers are organizing a Mental Health Wellness week for our grade 7, 8, and 9 students during the week of February 12-16.

The week will include a number of special guest speakers and presenters talking to classes to create an openness and awareness about maintaining good mental health and wellness. There will also be guests promoting physically active lifestyles, health and nutrition, and a junior high trip for an afternoon of physical activity. This should be a fun and educational week for our junior high students!

Retirement and New Teacher

We would like to extend special congratulations to Mrs. Parker on her upcoming retirement! After much thought and consideration, Mrs. Parker has decided to retire from her successful, 35 year career as a well respected educator. Mrs. Parker is our resource teacher in grades primary to grade 3. She will retire on February 1, 2018. We will certainly miss Mrs. Parker as part of the UDS family but we wish her all the best in her retirement. Congratulations Mrs. Parker!

Taking over the resource position in UDS for grades primary to grade 3 is Mrs. Katherine (Maclsaac) Walker. As Mrs. Walker was teaching grade 1, a new teacher will be hired to teach her grade 1 class for the balance of the school year.
